Application for entry as second class mail
matter pending.

In yesterday's issue we trans-
posed the figures in the date line
and the serial number. It should
have read April 29, and No. 24.
But we didn't have to be in-
formed by the postal authorities to
use the serial number on our
paper. Eh, Barrett?

If our friend Barrett will loan
the District Irrigation Directors
a pump, or will hasten the ar-
rival of the one shipped from
California, he will soon find out
why the wells are not being test-
ed, as this is all that is delay-
ing the work. Wells cannot be test-
ed very well without pumps, and
the arrival of the pump is being
awaited with interest by all con-
cerned.

in its train and is the primary cause of
much sickness. Keep your bowels reg-
ular, and you escape many of the
ailments to which women are sub-
ject. Constipation is a very simple thing,
but like many simple things, it may
lead to serious consequences. Nature
often needs a little assistance and when
Chamberlain's Tablets are given at the
first indication, much distress and suf-
fering may be avoided. Sold by ALL
